

BULLETIN 008

PRIMARY METAVERSE MEMBERSHIPS APPROVED : as of April 28, 2023

DECLARATION : Bangko Maharlika Ltd. (BML) is a United Kingdom based digital assets platform which is opening a banking arm in the United Arab Emirates this year, FY2023 (current listings in Grand Cayman, Singapore). Its grassroots arm, the Official Maharlika Association (OMA) provides the implementation of its various humanitarian programs supported by the Formula Green Corporation (UK), ranked one of the top 3 tokenization companies in the world on key natural resources vital to humanity's survival.

MEMO : We wish to welcome all PRIMARY membership holders who are now accorded access to the BML digital twin Metaverse. The BML presence in the Metaverse is made possible via a partnership with the Coral World Park Undersea Resorts Ltd. (UK) which owns its full immersive Web3) experience and powered by the Avatar Ark Artificial Intelligence Ltd. (UK).

Access to this Metaverse ensures that our members can enable identity protection, private communication, integrated transactions and succession protocols in this era of technological singularity, artificial intelligence and as a floating jurisdiction. The BML is non-political.

Access to this Metaverse also provides the necessary gateway to assist you in continually educating and providing key initiatives to access digital assets (eg : RWA cryptocurrencies, NFTs) so you can be part of one of the largest cultural and religious communities in the world with applications in selected ecosystems which continue humanity's way of life.

The BML does not operate in any country which are against the use of digital assets and decentralization to bridge the gap between Humanity. The BML is not in partnership or is involved with any organization based in the United States and also adheres strictly with intellectual property (IP) and internet domain (eg : .com / .crypto) ownership which uses the brands MAHARLIKA, MHLKBANGKO, MHLKBANK, MHLK, MHLK-IRM, MHLKART etc. in both Cardano and Ethereum cryptos. Any other platform is not recognized by Central Bank Digital Currencies (CBDC's) due to smart contracts, coding, transaction and succession protocols.

Therefore, we are pleased to announce the following members have been cleared by our security protocols and are listed as PRIMARY members with transferable memberships :
