

## LISTING TRANSITIONS

April 30, 2024 / Attention All Account Holders :

In preparation for our 3<sup>rd</sup> and last listing, the following will be implemented across all digital asset classes and Universal Basic Income (UBI) wallets :

1. all account holders will need to be authenticated before any trading is accepted by the newly chosen exchange ; any BLACKLISTED holders will not be allowed to trade or monetize ; this is also in line with avoidance of any fraudulent transactions ;
2. Artificial Intelligence will be used to block wallets who are not authorized to trade or use our cryptocurrencies ;
3. we will be delisting and moving some key RWA cryptocurrencies to the new listing to protect its value from exchanges which rank low in sustainable operations, foot traffic and liquidity especially with tightening regulations in some countries ;
4. the value of our crypto instruments are based on assets, community use, ecosystems and not solely on listings and therefore will be maintained in accordance with our uses as part of the new monetary system ;

Please note that BANGKO MAHARLIKA LTD. lists its RWA cryptocurrencies for transparency purposes and not to serve small punters. We are clear about the uses of our financial instruments and are not in any way affected by exchanges who lack the stability to operate and/or already under the scrutiny of regulators. We continually adjust to regulations worldwide.

Sincerely

Susan Lee  
Head, Public Affairs
